

# THATZ KRAZY! Productionz, LLC

I have over 15 years of production experience. Primarily working with Unified Army (formerly UnderAchievaz), I've also worked with or am working with some of DC's best talent including Don Twizzy, Konshens, DJ Kool and Edly Shine (formerly of Born Jamericans). I specialize in hip-hop, as hip hop is my roots, but I also dabble in R&B, Neo-Soul and Fusion (Hip Hop/Rock). Here, you'll find different styles and sounds to suite your flavor. I've noticed that many of the producers on here sell "Non-exclusive" tracks for 20 billz or so. While it's a great idea to get your music heard, I believe that selling tracks non-exclusively also takes away from the value of what we do as producers and artists. So, I've decided that it would be best to sell all of my tracks EXCLUSIVELY. That way, together, WE will have an EXCLUSIVELY CRANKIN' PRODUCT. We have songwriters on staff for different genres of music. For those of you in the DC area or planning to travel to DC, we work out of Greenhouse Studio in NE, DC. Greenhouse is a 32-track recording studio, capable of recording a full band. We use Protools 8, as well as Logic. Your vocals will be clean and crisp and your mix will be the envy of your peers and competitors alike. Hourly rates are as low as \$30 per hour. I hope that you enjoy what TKP has to offer. Always check back with us, as tracks will be updated on a continuing basis. Thank you. Keep It Krankin, Hoo'KraZe THATZ KRAZY! Productionz, LLC
